After F.S.U.'s win over Miami in which the defense held opposing runners to under 100 yds., SPORTS ILLUSTRATED quoted David: "You could tell which one was going to carry the ball 'cause he was the one coming out of the huddle with tears in his eyes..." David is very active in the Pike rush program.

# PIKE FOOTBALL TRADITION

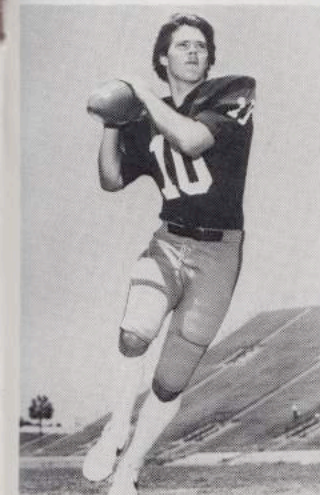

## THE OFFENSE!

McLean caught the first completed pass in FSU football and a fraternity tradition that has remained unmatched for years. Since, McLean, five football **ALL AMERICANS** have been named, and some of today's players are very close to winning themselves and for their fraternity. TKA traditionally has more than any other fraternity, and more varsity football play-fraternities combined!

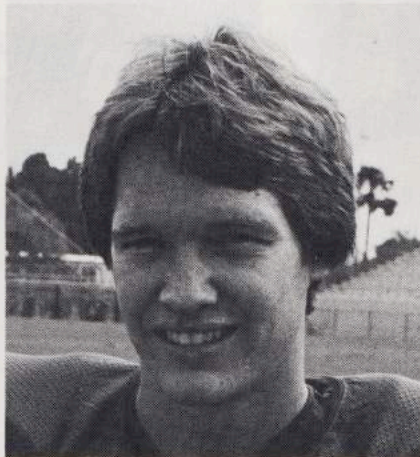

## THE COACH!

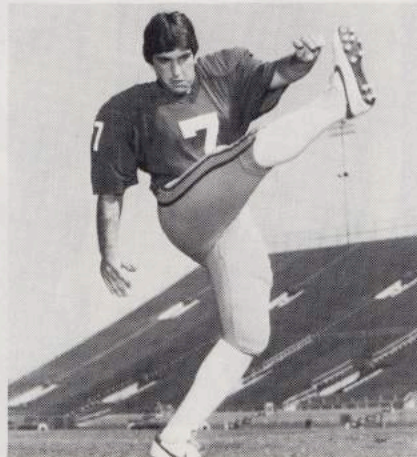

Football coach **BOBBY BOWDEN** was an **ALL-AMERICAN** quarterback at Samford University, and one of his PIKE chapter there in 1951. Coach Bowden ranks fourth in winning percentage among major college head coaches. He is a loyal alumnus, and participates in alumni activities.

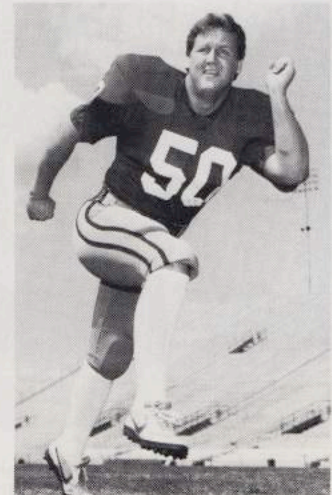

**BOB DAVIS**  
Junior Quarterback

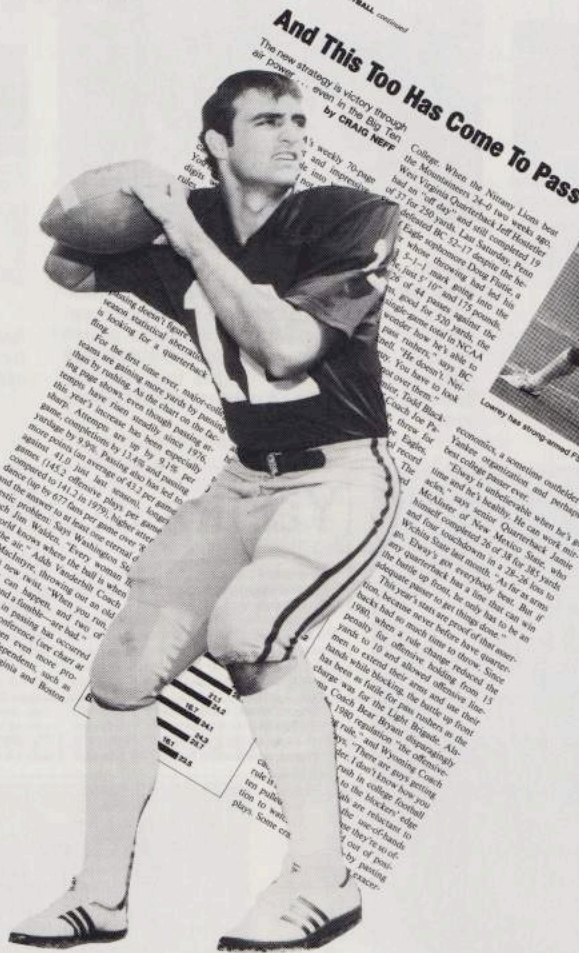

**PHIL HALL**  
Florida State's starting kicker, Phil set a school record in 1982 by making 52 of 53 extra point attempts.

**MIKE RENDINA**  
The Seminole's long distance threat, Mike had a 52 yarder against Ohio State, and his two FGs against Notre Dame was the margin of victory.

**J.D. DOWELL**  
Sophomore Offensive Tackle

**KELLY LOWREY**  
Senior Quarterback

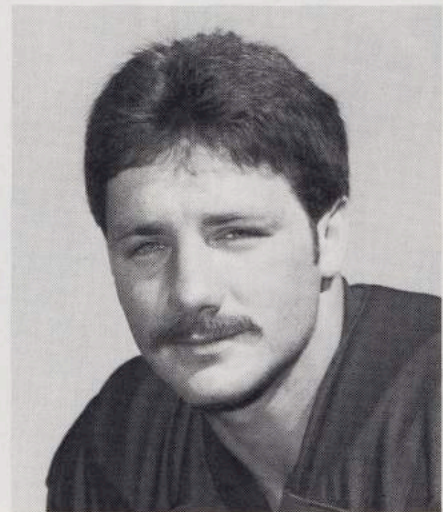

"Brutal. Just dominating and brutal." That's how one opposing coach described Kelly. Under his leadership, the Seminoles finished 1982 ranked #2 in the country in scoring offense. Once a starting defensive end, the 6'1" 230 lb Lowrey is not only one of the best quarterbacks in the nation, he is also the largest man in college football to play that position. Last year, he passed for 1700 yards and 11 touchdowns. A Pike since 1980, Kelly is an active Brother and plays on house intramural teams.

**And This Too Has Come To Pass**  
The new strategy is victory through air power... even in the big game by CRAIG NEFF

**SPORTS ILLUSTRATED** featured Seminole quarterback Kelly Lowrey in a November, 1982 issue. Said **SPORTS ILLUSTRATED**, "Lowrey almost singlehandedly strongarmed his team into the Top 10."

Lowrey has strongarmed FSU in No. 11.

## Yanks draft FSU's Smalley

Two more Florida State baseball players got the call Tuesday, the second day of baseball's summer draft.

Senior pitcher David Smalley said he was selected in the eighth round by the New York Yankees and would sign within a week and report to the Yankees' minor-league team in Oneonta, N.Y., in the Class A New York-Penn League.

Bruce Tanner, a junior reliever, told FSU coach Mike Martin that he was selected in the fourth round by the Chicago White Sox.

Martin said Tanner had not yet received

an official call, but that Tanner had heard the news by listening to the Pittsburgh Pirates' game broadcast. Tanner is the son of Manager Chuck Tanner.

FSU coaches did not hear from their other players who were drafted by the pros.

The only way a player knew he was to receive a call from a major-league team was by listening to the radio. The major-league office does not announce selections until the second round until next week.

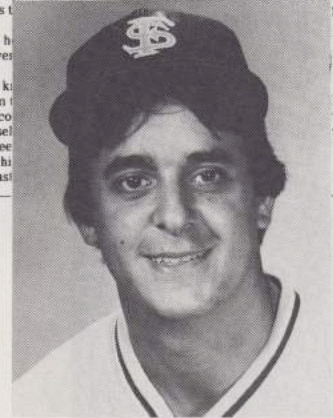

Smalley, who finished his senior season with a 4.06 ERA last

year, was considered a prospect mainly because he has an excellent curveball, the chief reason he was drafted by the Yankees.

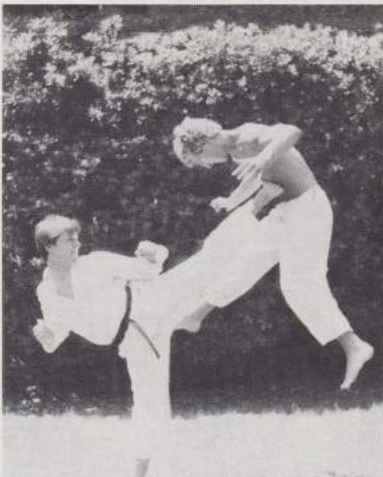

Smalley's opportunity to pitch for the Yankees was a dream come true. He had been a Yankee fan since he was a boy.

Smalley's opportunity to pitch for the Yankees was a dream come true. He had been a Yankee fan since he was a boy.

The Tribe's ace relief pitcher **DAVID SMALLEY** will don yankee pinstripes next year. Dave made 1st Team **ALL-METRO** in '83, and is renowned for his killer curveball that struck out 78 batters in only 63 innings.

**BILL WATERS** was runner-up in the "Mr. Teen Tallahassee" competition this year. Weightlifting and bodybuilding competition are popular with many Brothers at the Pike house; so much so that IKA is recognized as a dominant force in Tallahassee's better work-out gyms. Nearly 30 Brothers have bench presses of 300 lbs. or better, with **David Ponder** leading the pack with a lift of 460 lbs.

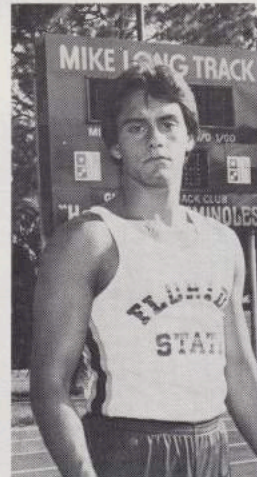

**JACE PROVO**  
Jace is a regionally ranked Black belt who has recently been assigned the task of instructing F.S.U.'s defensive linemen in hand & arm techniques used to brush off opposing linemen.

# OUR MEN AND TRADITIONS MAKE

## THE HOUSE...

Our home, located on the corner of Fraternity Row, is the most beautiful and impressive house on campus. Valued at well over one million dollars, the house and land are owned by our Pi Kappa Alpha Holding Corporation. The home of the Pikes features these:

- All one and two man rooms
- Central air conditioning and heating
- Largest private parking lot on campus
- Maid service
- Upper and lower level sun decks
- Huge party and dining areas
- Computerized financial management
- Professional contracted food program

The PIKE house is a hub of fellowship for the Brothers, whether it's a pick-up game after dinner or a spin around campus in the firetruck.

Every fall, FSU's top sororities convene for a lawn party and painting session at the PIKE house, each hoping to claim a prime spot to display their coat-of-arms.

## THE ALL-CAMPUS PIKE PIG ROAST

This October, thousands of students and townspeople will celebrate the 11th Annual Pike Pig Roast - the fall's largest fraternity sponsored event. One chilly autumn weekend the crowd will feast on barbeque pork and beef, plus all the country fixins': beans, coleslaw, desert treats...and massive quantities of beer! Live Bluegrass entertainment tops off the evening and makes Pig Roast the premiere event of the year, enabling PIKA to make substantial cash donations to the local chapter of Boy Scouts of America.

## ABOUT "PIKEBOY" .....

Meals at the PIKE house mean fellowship and good times. A professional food manager, Ms. Peggy Carter, makes sure the operation runs smoothly.

# PIKA THE BEST AT FLA. STATE

## THE FAMOUS PIKE FIRETRUCK...

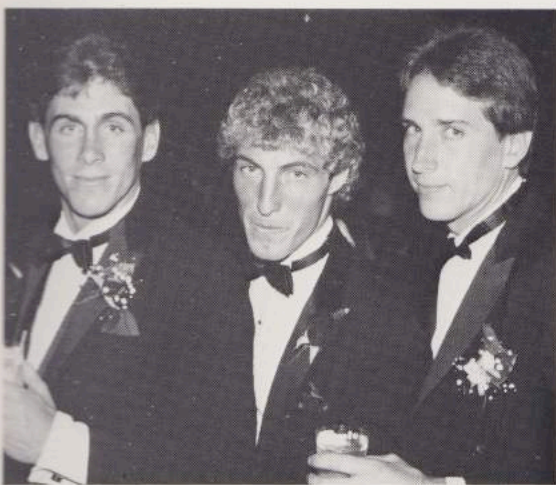

Our antique Chevy firetruck has been a familiar sight on campus since the 1950s. Girls love it, the other fraternities try to ignore it, our alumni spin yarns about it, and we use it for everything from transporting cheerleaders to taking a turn down Sorority Row after dinner. ALL PIKE chapters in the state of Florida own firetrucks, as do over half of the Pike chapters nationwide.

## THE VARSITY...

Pi Kappa Alpha has traditionally been the choice of many fine Seminole athletes. We are proud of the fact that our last three chapter presidents have been on varsity teams at FSU: Ed D'Avanzo (baseball), Steve LaMontagne (football), Cade Carter (football).

## THE PIKE MYSTIQUE

One Proctor & Gamble recruiter called the Florida State PIKES "the best executive training program outside of industry".

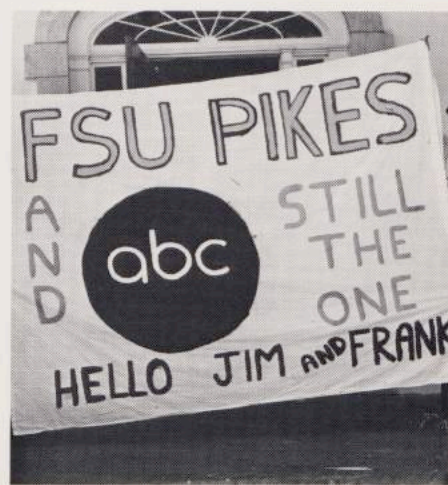

For a long time, the PIKES have been recognized as one of the truly exceptional fraternity chapters in America.

**FACT:** In 1974, PLAYBOY ENTERPRISES named the FSU PIKES the top fraternity chapter in the Southeast.

**FACT:** For 12 of the last 13 years, the PIKES have ranked #1 at FSU in the only official college fraternity rating survey.

**FACT:** In 1982, the PIKES at FSU were the largest college fraternity chapter in America (230 Brothers).

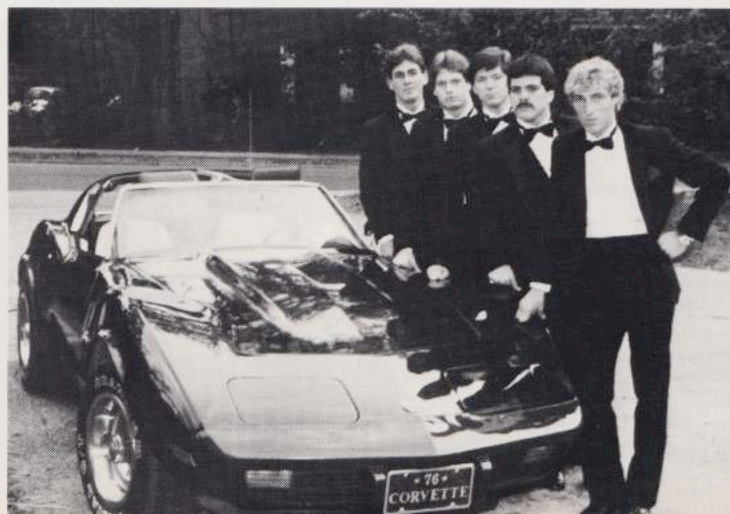

Athletics, academics, leadership, strong alumni support, and the PIKE "attitude" have made PIKA the standard of comparison at FSU.

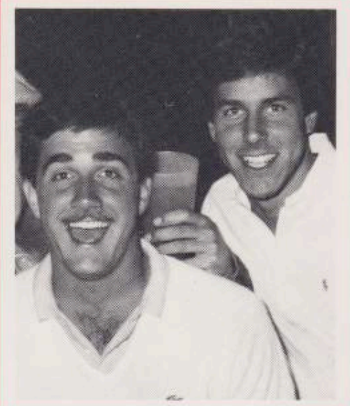

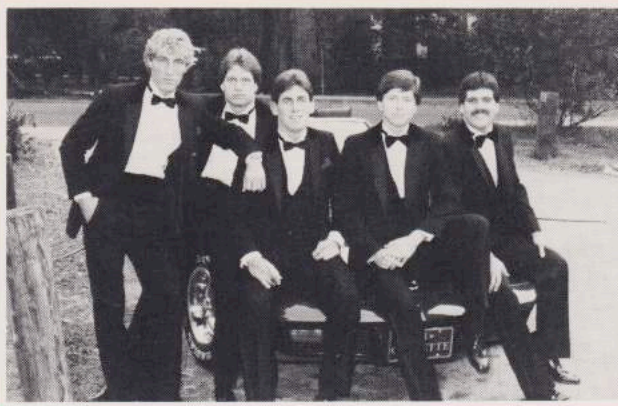

**BROTHERHOOD** is another word for friendship, and friendship is enhanced when you're a member of the winning team. Today's college man wants the **best**, and the **best** means Pi Kappa Alpha.

## PIKES FORMAL: THE FIREMEN'S BALL

Pikes were the *first* fraternity to have a tux formal on this campus (1948), and today are still the *only* fraternity to do so.

"Let us endeavor so to live that when we come to die even the undertaker will be sorry"

Mark Twain
