# FRATERNITY CHAPTER IN AMERICA!

## THE PIKE MYSTIQUE

For a generation, the **Florida State Pikes** have been recognized as one of the truly exceptional fraternity chapters in America. Athletics, Academics, Leadership, strong Alumni Support, and the "Pike Attitude" have made Pike the standard of comparison at FSU.

**FACT:** In 1973 the **College Survey Bureau**, a California-based company, rated Pike #1 at FSU, and noted that Pikes ranked further ahead of their competition than any other #1 ranked fraternity chapter in America.

**FACT:** In 1974, **Playboy Enterprises** named FSU Pikes the top fraternity chapter in the Southeast.

**FACT:** A **Procter & Gamble** recruiter visiting the campus in 1978 commented that "the Pikes are the best executive training program outside of the industry."

**FACT:** Florida State Pikes were the **largest fraternity chapter in America** in 1982, with 230 undergraduate members.

**FACT:** In her popular **COLLEGE BOOK** (Ballantine Books, 515 pages, \$9.95), authoress **Lisa Birnbach** featured only one fraternity when detailing campus life at Florida State. She spotlighted stories and anecdotes about the **Pikes**, and called Pike Pig Roast "the school's best all-campus party."

**FACT:** In 1985, as part of a publicity campaign to promote their new book **FROM HERE TO FRATERNITY** (by Bob Egan, Bantam Books, 278 pages, \$7.95), New York's **Bantam Book Company** conducted a nationwide "Super House Search" to find the best college fraternity chapter in the country. They chose the **Florida State Pikes**.

## FLORIDA STATE PIKES NAMED TOP FRATERNITY CHAPTER IN AMERICA!

Adding still more lustre to the already storied Pike tradition, New York's **Bantam Book Company** notified the chapter this Christmas that they had been selected as the top college fraternity chapter in the country. The honor carried a First Prize of \$2,500.

As a promotion to publicize their book **FROM HERE TO FRATERNITY**, by **Bob Egan**, Bantam conducted a nationwide "Super House Search" to identify the best and most spirited fraternity. Author Egan travelled over 30,000 miles interviewing Greeks on hundreds of campuses throughout 35 states. He identified nine characteristics that make a fraternity #1 on any campus: Unity & Spirit, Party Attitude, Parties, Size, Personality & Looks, Attitude of the Opposite Sex, Athletic Ability, School & Philanthropic Involvement, and Scholarship.

From among 6,000 college fraternity chapters in America, the **FLORIDA STATE PIKES** were chosen #1!
