## **Chapter Returns to its Fire Truck Roots for Philanthropy**

(From SMC **Luke Vari '18**)

"Brothers, I just wanted to share a quick update and a few pictures with you.

"Our new Executive Board started thinking of ways to continue supporting the community and giving back. We decided to go back to our roots, and reach out to local fire stations. External Vice President **Kyle McLaren '18** and I had a meeting at local Tallahassee Fire Station #1 where we discussed ways to become more involved with the First Responders and their local charity organizations.

"Since the annual Dance Marathon is not really practical under the current circumstances, we have decided that one of our main philanthropies throughout this 2021 year will be The Children's Burn Camp of North Florida, "Camp Amigo". Camp Amigo is essentially a summer camp for children, ages 6 to 18, who are burn survivors. The camp features fire safety and fun, but predominantly focuses on providing these children with a support network to help with physical and emotional scars from their past experience.

"Last night, a few of us visited local #1 Station and provided their entire team with dinners from Mission Barbecue. We ended up staying for over two hours, talking with them and getting a tour of the station. We discussed bringing back the Pike Fireman's BBQ this spring, and every single person in the station's face lit up. With everything going on it was nice to have a sense of normalcy back. After showing them our own Pike fire truck, I think their truck operator is excited to possibly take it for a spin around Heritage Grove!

"I'm looking forward to being able to send you all more updates like this one."

Phi Phi,

**Luke B. Vari '18**

2021 SMC

After Luke's message was sent to the Advisory Board, alumni were immediately responsive.

- **Scottie Howell '06:** "Really outstanding work, guys. Proud of you".
- **Joe Feheley '81:** "That is so frigging awesome Luke. As always you guys make me proud. A relationship with the Fire Department is an awesome idea and very Pike-like. Let us alumni Bros know how we can help."
- **Brent Sembler '78:** "I could not be prouder❤️"
- **Andy Miller '70:** "Great leadership!"

[Left] Former Florida Governor, now United States Congressman **Charlie Crist '77** won re-election to the U.S. House of Representatives in Florida's 13th Congressional District (St Pete, Largo, Clearwater) this November.

[Right] The October 29th, 1977 Homecoming ceremony was a tough pill to swallow for all the other fraternities. Starting Seminole fullback, President of Pi Kappa Alpha, and 1976 Homecoming Chief **Fred Miller '73** is pictured here handing the 1977 Homecoming Chief trophy to Pi Kappa Alpha Vice President and Vice President of the FSU Student Body **Charlie Crist '76**. In addition, that night Tri-Delt and Pike Little Sister Ginger White was announced as Homecoming Queen.

[Left] Wikipedia identifies American entrepreneur, politician and international golf tournament organizer **William H. 'Bill' Kerdyk '80** as President and CEO of Kerdyk Real Estate in Coral Gables. He founded the Toyota Junior World Cup with Japanese business partners in 1992 to allow the finest junior golfers in the world the opportunity to compete in an international team event. More than 70 countries participate in qualifying tournaments throughout the year in North and South America, Asia, Europe, Oceania and Africa. The winners and second-place finishers in the qualifying tournaments are invited to participate in the finals held in Japan. Toyota and Japan Airlines are the major sponsors of the tournament.

[Right] **Brett Kublin '80** shows off his new grandson December 13. "Today, Cooper was given his Hebrew name Lior, meaning "My Light". He truly is a very bright light to

me. He's named after Cindy's grandpa Louis."

**Jerry Sexton '74**

"Here we are in Colorado recovering from another snow storm. And we are pretty much in Covid lockdown here: restaurants closed, bars closed and they pretty much tell you to stay home. Hopefully when I get out – we'll be heading back down to FL. **Mike Alley '74** says he will keep a bar stool warm for me.

"Pre-COVID, our club bartender was a PIKE from Virginia Tech and he says the reputation of PIKES at FSU is – 'Pike leads the way'.

They are in awe of the FSU Pikes. I think he was amazed I'm an FSU Pike. Had to show him my class ring with PiKA on it. LOL.

"Moving all over the world for 20 years in the Air Force and being deployed in many other areas I lost touch with many folks. Once ran into **Tom Young '76** (son **Chris Mergenthaler '13**) in Athens, Greece when he was going over in the late 70s to move his Dad out of Iran prior to the fall of the Shah.

"I was in Tally at a ball game a couple of years ago and it was good seeing folks – **Jim Brock '76** (son **Tyson '06**), **Danny Hendrix '75** (son **John '05**), **Jimmy Crook '74**, etc.

"Still think one day I will move back to FL but just bought a house last year here so we may be here for a few years. We are southeast of Denver near Parker, CO. "

{Pictured} **Russell Sexton '77**

"Russell is in The Villages along with my other brother and sister. He is back dating his high school girlfriend – a UF majorette. She is a

great lady and good friends with **Wayne '72** and Kathy Johnson (son **Matt '03**)

"There are few things in life that has had such an impact on me as being a Pike at Florida State. I feel that I can see old friends decades later and it is like going back in time. **Mike Tebo '76** was driving through Denver; he called and I quit work to go spend the day with him.

"The traditions we had did a lot to make you grow up. A simple thing like wearing a coat and tie once a week for dinner – makes you comfortable when you go out in the real world to work. Although I really liked fatigues and flight suits much better. Just don't think I fit into

either any more.

"I think every Pike from FSU is proud to be a Delta Lambda, and what we stood for. My son graduated from Colorado State and was going to run him back for a football game this year and show him the Pike house – but COVID stopped that idea.

"I also think we have to give a lot to thanks to **Brent Sembler '78** (son **Logan '09**), **Andy Miller '70** (son **Matt '09**), **Jimmy Keen '73** (son **Michael '14**) and others who are active alumni in the area and did a lot to keep the house going.

"You folks put your own reputations on the line and stood up to the administration for the house. THANK YOU! I'll buy the next round when I see you.

"By the way – did you know that when you learn the Greek alphabet as a pledge – you can read the street signs in Greece and actually get around. When I lived there for the year, I could read menus and all the other signage. I was even a tour guide for Mom Howard (Pi Phi House Mom – **John Howard's '72** Mom) and her niece when they came over when I lived there."

### **WHY ARE YOU CONSIDERING A WILL GIFT TO THE LEGENDS OF DELTA LAMBDA?**

“The question should be, why would I **NOT** leave an estate gift to my Delta Lambda! Pi Kappa Alpha has been such an integral part of my life. I was a Charter Member in 1949. A chance meeting with an alum at a Pike rush party in Jacksonville led to my 35-year career with AT&T. When I was transferred to Nashville, I was invited to take meals with the Pikes at Vanderbilt, and the blind date they matched me with for the PiKA dance turned into the love of my life, Jean, my wife of more than 50 years. I was fortunate to be present at my grandson’s initiation into the Pike chapter at Auburn, and I was honored to serve Delta Lambda as Chapter Advisor. I have been a Brother

for 72 years and I could never put a price on the precious friendships and treasured life experiences that have come to me through Pi Kappa Alpha.”

- **Bob Hall '49**

**Your estate gift to Delta Lambda will help ensure that our magnificent chapter house remains in Delta Lambda’s hands. Brent Wolfe Sembler '78 is Chairman of The Legends of Delta Lambda, owner of the fraternity house. When you update your will, this simple wording will be effective:** “I wish to give \$\_\_\_\_\_ to The Legends of Delta Lambda, Inc., or its successor organization, a corporation located in St Petersburg, Florida. Tax I.D. number: 22-3857797.”

If you’d like to further discuss the options of making a will gift to Delta Lambda, either Brent, Andy and/or Joel will welcome your call.

**Michael Shannon Wyatt '83**

On December 26, **Lee Anderson '83** wrote, "Brothers, it is with a heavy heart that I let you all know Shannon Wyatt passed away Friday night. His daughter called me this morning. Shannon had just spent Christmas with his children, then passed away that evening. I do not have any other details as of yet. Keeping his family in our Delta Lambda thoughts."

**Joe Liguori '81** followed with another note: "Heartbreaking. Have not seen Shannon in years, but so many fond memories. 2021 - let's make this the year that we take opportunities to catch up. Business travel has given me the opportunity through the years to visit with brothers, but I have not taken full advantage, and I will change that in 2021.

Prayers for Shannon, his family, and our large Delta Lambda family."

---

**Bobby Fulford '69**

“Robert Hill Fulford, Jr. passed away peacefully on December 23, 2020 at the age of 70 in Tallahassee, Florida. Bob was a beloved husband, son, brother, cousin and friend to all those who met him.... Every summer was an adventure, though his favorite place was sitting the dock of their Aucilla River house or sailing in the Gulf of Mexico. If you had a chance to sit and talk to Bob, he would spin you a tale, give you friendly advice or lend a helping hand. He was always willing to share his knowledge of what he had learned about travel or real estate to those who were interested. He will be missed by many friends and loved ones. Bob was a success through his hard work and perseverance. He lived a wonderful life.”
