**Meet Delta Lambda's SMC for 2022, Joey Williams '19**

Brothers,

"I have been very blessed to receive the opportunity to serve as president of the Delta Lambda Chapter. I wanted to use this email to introduce myself and let all of you know how ambitious we are for the upcoming term.

"My name is **Joey Williams**, and I am a Fall '19 initiate of the Alpha Pi pledge class. I came into this fraternity a legacy with my brother **Jack Williams '18** (who most recently served Delta Lambda as Treasurer), and I was very eager to make a name for myself. I joined all the available cabinet positions and enjoyed playing a part in bettering the Delta Lambda name. The following year I was appointed as Excellence Officer under SMC **Luke Vari '18**. In this position, I learned the behind-the-scenes aspects of the Fraternity and knew I wanted to go further. Observing the past three SMCs, I know I have what it takes to lead this chapter in the right direction. I talked to Luke and shadowed him for many months so he could show me the ropes. I have the confidence and the skill set from my abilities and what Luke taught me to lead this Fraternity.

"As of right now, all positions on our Executive Board are elected positions. The Exec Board and I held interviews to select the appointed cabinet positions. The interviews took place the week after Thanksgiving break. I had many Brothers come up to me

interested in these positions. I will stay connected, and let all of you know as our plans and aspirations come to reality.

"Brothers in the chapter feel that this fall was the best we have seen in a while, because of the outstanding Exec Committee, and due to recently coming out of Covid-19. Our new Exec wants to improve this fall and make this next term even better. I am proud to be a Florida State Pike because this place is a business that makes men; I know it made me a better one. The least I can do is make this fraternity better than when I found it.

"Being elected President was the best moment in my life to date; I am forever grateful. The Delta Lambda Presidents' title would not mean as much to our chapter if all of you were not so generous with your time and effort. On behalf of the chapter and myself, we thank you for all the work you guys have put into the Delta Lambda name.

"Please reach out if you have any questions."

**Delta Lambda Sires & Sons**

These newly initiated Brothers all have fathers or grandfathers who are Pikes. Delta Lambda began emphasizing legacies many years ago, and the Chapter has been greatly strengthened through that process. We've had, and have now, many sets of older-younger siblings - too many to detail here - even numerous sets of twins.

Here are the new Brothers - mostly freshmen - whose fathers or grandfathers are Pikes.

From left: **Kyle Homan** (son of **Brad Michael Homan '91**, UF Pike); **Aiden Diaz** (son of **Anthony Diaz '90**, UF Pike); **Colton Phillips** (son of **Darin Michael Phillips '86**, UF Pike); **Ben Bodkin** (son of **Larry Bodkin '83**, FSU Pike. Ben's older brothers **Ander '15** and **Mark '15** are Pike alumni from Jacksonville University); **Michael Cabrera** (son of **Anthony Cabrera '81**, FSU Pike); **Carson Marcil** (grandson of **Thomas Ciresa '60**, U-Miami Pike, and stepson of **Gregg Schlesinger '81**, UF Pike. Carson's brother Cameron is an undergraduate Pike at Georgia Tech); **Jack Spingarn** (son of **Robert Michael Spingarn '90**, Pike at Columbia University); Legacy Dads Chairman, and Rush Advisor **Doug Russell '79**. Doug's son **Tyler Russell '10** is also an FSU alum.

Missing from the photo is **Max Annand**, grandson of **David Lyons '65**, (FSU Pike). Max's brother Jake is a current undergraduate.

**A Proud Delta Lambda Tradition: Father & Son Chapter Leaders**

[LEFT] **David Rancourt '84** was SMC in 1986. Past SMC **Wyatt Rancourt '16**, just completed Army Basic Training. David is also an Army veteran.

[RIGHT] Past SMC **Cadie Carter '79**, and his son, Past IMC **Cade Carter '05**. When he was SMC in 1981, Cadie also captained the Pike IM Superstars Team, winners of five consecutive IM championships. Cade was Delta Lambda Vice President, and President of the FSU Pre-Law Society in 2008.

Cade writes, "My father Cadie Carter and I had the pleasure of visiting the Pike house this past weekend with our family. The Brothers there were extremely hospitable and welcoming. I had to pleasure of meeting **Max Roix '18**, who updated us on how the chapter was doing, and even took some time to show us around the house. It looks like the chapter has continued our reputation of, to be blunt, winning in everything that matters.

"It has been over 11 years since I lived in the house and it looks like the current chapter has done a great job maintaining it, the floors and walls good really nice and it was great to see the composites on the walls. Our alumni and undergraduate leaders have done a fine job in continuing our strong reputation.

"While there, I introduced my cousin John Holaway (352-348-0319) to Max and some of the Brothers. John will be a Jr. at FSU in the fall. He is a Scholar, Leader, Gentlemen, and Athlete. He played college basketball his freshman year, is 6'4" and definitely fits the Pike profile. I think he could be an asset to our Delta Lambda Chapter and would get along great with the team."

Cade is General Manager of Carter's Ace Hardware in Tavares, and is President of the Central Florida Ace Dealers.

**Delta Lambda Chapter Advisor John Peacock '01 Inducted into the Leon High School Football Hall of Fame**

Old Leon High School (established 1871) is one of Florida's iconic educational institutions. The Lions' storied football dynasty won their first State Championship in 1937. In 1947, ten former Leon players formed the core of Florida State University's first football team, and the Seminoles' first coach, Ed Williamson, was also a Lion football alumnus.

It was a singular high honor, but not unexpected, when on December 9th, 2021 former Leon star scholar-athlete **John Peacock '01** was inducted into the Leon High Football Hall of Fame. At the formal banquet, three tables were crowded with Pike alumni and undergraduates.

John came to Florida State to play linebacker for the Seminoles in 2001, also the year he pledged Pi Kappa Alpha. At the end of his freshman season, John was named 'Most Valuable Defensive Player on the Scout Team'.

When asked what it was like to play defense for four years under Coach Mickey Andrews, John laughed and said it was...interesting.

John's last game as a senior was in the January 1st 2005 Gator Bowl victory over West Virginia. He played one season of professional football for the Arena League Titans in 2008, before turning to a career in the insurance industry.

John remained active with Fraternity alumni events, building a reputation as a mentor to the undergraduates. He has been consistently involved in community affairs, serving as President of the Capital City Rotary Club in 2010, and a member of the Board of Directors of the Tallahassee Quarterback Club. John has also travelled overseas on Mission trips for his Church.

In 2019 John accepted the post of Delta Lambda Chapter Advisor. He shared Advisor honors with **Scottie Howell '06** until Scottie relocated last year to New Mexico. However, John and Scottie still work as a team providing oversight and help to the undergraduates, and maintain a positive relationship with the University administration.

John is co-owner of Capital Risk Management in Tallahassee.

In this photo, **John Peacock '01** joins senior Seminole Captain **Chad Maeder '01** as one of five Pike Brothers on the Florida State 2002 Gator Bowl champions team. Others are **Joey Kaleikini '01**, **Josh Baggs '01**, and **Kolby Jones '01** (Rush Chairman **Kyle Mowitz '01** stood in for Kolby).

#### **A Pair of Past SMCs Honor their Former Chapter Advisor with a Manhattan Salute**

Past SMCs **Carlos Lindo '05** and **Jarrold Germano '07** sent a special selfie shout-out to their former Chapter Advisor **Jimmy Keen '73**. Carlos and Jarrod and their beautiful wives Kelly and Amanda were cruising the many glittering wonders of Times Square when they came upon the signboard display for "Jimmy's Corner". The iconic New York nightclub is a Manhattan eatery and bar with a great back-story that appealed to the adventurers.

They sent Jimmy Keen a steady stream of photos taken during their four-day excursion.

"Jimmy's Corner" was a family-run operation for fifty years until Covid forced them to close doors. Founder and owner Jimmy Glenn was a Hall of Fame boxing trainer. Then his son, a Harvard lawyer, quit his practice to take over during the crisis just to keep the bar open.

Keen mentored both of these past Presidents and they have all remained close. It was during Jimmy's and Don Pumphrey's legal presentations to the pledges that Carlos began considering law school.

"Carlos was a senior he came to me and asked if I would ask Don Pumphrey '09 to set him up to visit his office for a few days . He was thinking about going through law school. When I asked Don, he said does he own a conservative suit. I said "Of course; he's is a Pike". Don told me to tell Carlos to be at his office at 6:30 AM sharp the following morning. They went to court together and Carlos sat at the defense table with the defendant and Don."

Jimmy said, "I think these stories are very interesting and show the networking and relationships developed while being a Pike Brother. I know my closest Brother circles include men like Carlos Lindo, Jarrod Germano and **Brent Sembler '78**, along with other groups of Brothers. I would have never imagined that I could be part of a better and more valued circle of Pikes."

Jarrold is Senior Vice President of Tech Mahindra Healthcare in Jacksonville. The Jax Business Journal named him one of the "40 Under 40" stars in 2017.

Carlos and Amanda are back in Tallahassee where Carlos is Vice President and senior legal counsel for New Directions Behavioral Health.

Both men have expressed continued gratitude to Keen for his role in opening doors of opportunity for them.

Ed Garrison - Florida State Pikes Delta Lambda Chapter  
 I thought I would post this photo of Walter Edward Jordan and me taken today. I pledged in 1964 and was initiated in 1965. Wally came along in 1977 as a brother. We both choose the law enforcement profession, me with the Feds and Wally with the Raleigh PD. Somehow, we both landed in Raleigh, NC. We met thru a mutual buddy, also retired Raleigh PD. Speaking from the heart, it is good to know that I have a Brother in Raleigh.

## Edward Macklin Garrison '65

**Edward Macklin Garrison '65** courageously held onto this life long enough to participate in the 'Pikes of the '60s Reunion' via Zoom call on November 12. He passed quietly into Chapter Eternal on Friday, December 17th

**Ed Jordan '76** broke the news. Ed Garrison himself had posted earlier (see above) about his personal and professional friendship with Jordan. We send our sincerest sympathies to Ed's wife, Linda.

**Bob Tunkel '67** wrote, "Brothers, it is so sad to report the passing of a true Pi K A, Brother Ed Garrison. Last I heard, he was battling covid despite being fully vaccinated. Ed wanted to be with us at the reunion and did so via zoom. He was instrumental in creating the PowerPoint we shared at the reunion, and many of the photos came from his files. If you knew Ed you knew he loved his fraternity and his fellow Brothers."

**Van Williams '64:** Sorry to hear it but we're all getting older and we will all get our turn no matter what we do. We have to be very careful right now especially us with Sally going through chemo so everyone please be as careful as possible as we never know who might be carrying this nasty virus. Ed was really a great guy and I remember him well."

**Dave Frew '66:** "Oh I am very sorry to learn of Ed's passing. I always enjoyed his company, personality and the harassing of our pledges. He will be missed. Take care Brothers. Phi Phi K A"

**Bob Duggan '64:** "So sad to hear about Ed's passing. He and Terry Miller were my last roommates in the first new house. I remember only good times with Ed. He was a friendly guy with whom everyone got along. This reminds us we all should all take care with Covid still around."

**Dick Klunk '67:** "As we say.. Once a Pike, Always a Pike. Prayers going out for Ed Garrison and his family. I didn't know him back in the day but we were Facebook friends. On Dec. 8th he posted, "Just thought I would let my friends know I am in Wake Med with Covid 19 pneumonia. I came in Friday and no idea how long I will be here. I am miserable. I have the breakthrough version and it ain't fun. Prayers appreciated. 'Ed the Fed'. God bless him."

**Bob Reeve '66:** "Fair weather and following breezes, Brother Garrison."

**Tom Wurzbach '64:** "I'm sure Ed has joined up with some other great guys from ΔΛ. I know they welcomed him with open arms. ΦΦKA."

Prior to his post-collegiate career with the FBI, Ed Garrison was a talented photographer. He delighted in recording the parties and personalities of the Pike house in the mid-1960s. Many of the iconic photos in our chapter archives were his handiwork.

### **George Aase '50**

George Elling Aase, of Suwanee, GA passed away on November 5th, 2021, following a brief illness.

He earned his Bachelor of Science Degree in Geology from Florida State University in 1953. While at FSU, he was a member of Pi Kappa Alpha Fraternity, and met his wife Myrtle Helen Simpson at the Sweet Shop on campus. Upon graduation he worked with several oil companies as a field geologist, then he transitioned to a career in real estate and was eventually the President of the Tallahassee Board of REALTORS in 1966. After real estate and a brief stint as a lobbyist with the Florida legislature, he worked for the Department of Environmental Regulation for the State of Florida until he retired after 25 years of service.

George was the life of most parties and had many life-long friends with whom he and the family spent a great deal of time.
