Peter Singhal '15 certainly won the prize for the first to give after publication of the last Newsletter. The October Newsletter was sent at 12:29 pm on October 27th. Peter's contribution was received just 12 minutes later at 10:41 pm!

Many other generous contributions were received in the days after publication. **Miguel Fernandez '77** and his son **Michael Fernandez '10** each made their annual gift. **Chris Pepin '01**, **Kevin Stokes '13** and **Tom Misiuk '83** also made their annual gifts of \$100 each.

Jay Campbell '87 paid two years in advance (most appreciated, Jay).

And **Josh Davis '02** sent a message with his old Guard gift. Josh wrote, "I'm happy to help, and in a way embarrassed that I haven't done more for the chapter since leaving in '06. All my close friends even today are from my 4½ years in the Delta Lambda house. I look forward to future newsletters and finding more ways to contribute to the continued prosperity of our Brotherhood."

Clint Wallace '01 and Family

Alan "Night Owl" Winslette '77

Delta Lambda Re-Founding Charter Member **Clint Wallace '01** was featured, along with his family, on the cover of a local Tallahassee magazine in November. "Many of you know his face from the billboards of the Scott & Wallace law firm, or from the

many amazing things their family does for our community," the article began. Clint and Elizabeth met at FSU, and a sorority date function. The article continues, praising Clint and Elizabeth for their extensive community involvement.

Every Pike from the 1970s remembers 'Night Owl'. **Alan Winslette '77** was a renown disc-jockey at parties in Tallahassee, and was an imposing figure on the Greek landscape. Today, Alan owns Laser Shot, Inc., the global leader in firearms simulation training for military and police.

When the new Pike house opened in 2005, Alan outfitted the 'Firemen's Lounge' with all sorts of video games and simulators.

In 2021-22, in addition to all the new electronic toys, Alan is investing between \$30,000-40,000 as his additional gift to Delta Lambda. Alan is paying for all the renovations, materials and labor costs.

Read more about Alan's contribution in **SMC Luke Vari's** remarks below.

Chapter News

Pike Monthly Alumni/Undergraduate Leadership Luncheon, November 3, 2021

Front row: **LTC Joe Feheley '81, Internal VP Max Roix '18, SMC Luke Vari '18, Rush Chairman James Bencivenga '20, David Joseph '19, Excellence Officer Joey Williams '19, Josh Smith '16, Rory Hicks '19, Treasurer Jack Williams '18, Rush Advisor Doug Russell '79.**

Back row: **External VP Kyle McLaren '18, Ben Porter '21, Steve Walker '81, Chapter Advisor John Peacock '01, Ed Barnes '71, Pledge Educator Tre Hall '20, Charlie Barnes '65, David Rancourt '84, Glenn Grant, Chaplain and Pledge Advisor Dylan Nielander '15.**

With only two weeks left in the fall semester, **IVP Max Roix '18** believes that the Pike house is "the strongest it has ever been!" Brotherhood events are many and well-attended. Two double-decker busses will take 78 Pike couples on a tryst to New Orleans. A later trip is planned to see an Atlanta Hawks game. The chapter also rented out a local movie theater to watch the latest James Bond film.

On November 5th, the Chapter hosted a major DJ Party at the house. Chapter leaders

jumped through all the hoops and all went well.

Chapter Brothers raised \$60,000 for various philanthropies. Our primary philanthropy is supporting the local Tallahassee Fire Station. In only one week, the chapter raised \$18,000 for Camp Amigo, a camp for children who are burn victims.

Pledge Educator Trey Hall '20 reported that more than 60 new Brothers were initiated this fall, and they are continuing to go through the "J.I. Process".

On campus, Pikes continue to dominate the leadership of Student Seminole Boosters, with a dozen Brothers on the Board. **Kyle McLaren '18** is President.

The **Long brothers, Jack '21 and Kellen '18**, continue the Pike tradition of excellence in leadership. Senior **Kellen Long** was Homecoming Chief Runner-Up this fall. **Kellen** is a Student Senator, and the Director of the All-Campus Line Dance. He also represented FSU at AIPAC in Washington, D.C. His younger brother Jack was tapped this fall as a Garnet & Gold Torch Night Award recipient. The award is presented to only 50 freshmen selected for their aptitude to be future campus leaders.

Ben Porter '21
Delta Lambda's 3,000th Initiate
 Pledge Class President

Cody Cribbs '19
2021 Ryan L'Homme Scholarship winner
 Air Force ROTC

Ben Porter '21 was elected Pledge Class President, and was selected by the Chapter to be the 3,000th Initiate of Delta Lambda. Ben is a freshman from Panama City Beach where he was Student Body President, and captain of both the track and basketball teams. He plans to be a physician and is majoring in Pre-Med. **SMC Luke Vari '18** said, "Ben was accepted by all the big Florida schools. He's going to do great things here."

Cody Cribbs '19 will be commissioned in the Air Force upon completion of ROTC. Cody received the 17th Annual Ryan L'Homme Scholarship, established as a memorial to deceased Brother **Ryan L'Homme '01**. The fund is administered through an endowment in Memphis, and is intended to recognize members of Delta Lambda Chapter who have exhibited exceptional achievement in the areas of academics, leadership, character and extracurricular activities.

Ryan Fitzgerald '19 kicked the walk-off FG to win the Syracuse game and ignite the Seminoles' 3-game winning streak. A dozen Pikes are on this 2021 Seminole football team.

Pike Officers and Members of Student Seminole Boosters This Fall, 2021

Seminole Student Boosters is the only student organization officially authorized and dedicated to the promotion of Seminole Athletics. Pikes routinely occupy the majority of leadership positions. Male and female members of the organization are selected through an interview process.

Chapter Advisor John Peacock '01 Presents Well-Deserved Recognition to SMC Luke Vari '18

Luke Vari's Message as Outgoing SMC

"Delta Lambda has endured many struggles and challenges the past year, but we emerged stronger than before. Severe social restrictions brought on by Covid, plus formal rush that was conducted campus-wide by Zoom interviews and other limitations to in-person contact, all failed to dampen the spirit of PiKA.

"I am proud to tell you that Delta Lambda initiated more than 60 men from our fall pledge class, finances are solid, and we are good standing with the University. Not all fraternities fared as well.

I also wanted to reach out and provide you with some updates about our historic home, which is now 'Sembler House'.

"Alan Winslette '77 has re-done the Fireman's lounge. Thanks to his ideas along with **Pete Ford '18** and his guys, there seems to be a new life in that room. Last night after the (FSU) game Alan purchased two 75-inch flatscreens, one for the Fireman's and another one for the bar in Sembler Hall. Alan also put in a new screen board, projector, and three sounders for those areas. The only thing we have to do now is to

hang the TVs. I'm going to encourage the Chapter to focus on the Fireman's Lounge for this year's major project. Ideally, Firemen's would be a perfect lounge and game room.

"Alan and **Jimmy Keen '73** and I had an extensive conversation regarding his plans to remodel the Fireman's room. He has plans to put enough bar stools for seating around the bar. Pete has already installed the bar with additional upgrades.

"Alan is paying for all the renovations, materials and labor costs. He already erected a laser shot shooting gallery; one 7' TV with projector and screen, and a second laser-shot. Total cost of his contribution to Delta Lambda is between \$30,000 and \$40,000.

"Another goal is to get a custom pool table for the Fireman's lounge, with our beloved Pike crest in the middle. I've heard all of the skepticism about how it would be ruined and what could go wrong, but here is one possible solution. I would like to make the top of the pool table the outdoor billiard cloth material, I would also buy a thick cover with grommets, running a cable through to wrap around the table legs, unlocking when either myself or the house managers convenience, giving us the ability to monitor who is responsible for the table at that time.

"I want to close my remarks with extreme praise for our Rush Chairman **James Bencivenga '20**.

"In-person rush for Pike was a massive success. As we opened on the second day, it became apparent how chaotic and unprepared many other fraternities were, given how most of Greek Life had not seen a formal in-person Rush at all until last week.

Unsurprisingly, Pike was prepared. Brothers were at the house two and a half hours before we opened our doors, with older Brothers mentoring younger Brothers.

"We all walked through rush in the perspective of a rushee, to ensure that every Brother was informed of our process in whole, regardless of their specific role. It really did come together beautifully. **Joaquin Lopez '21** rose to the occasion and exceeded expectations. He made sure to reach out and invited every name on our Legacy list to come to the house, and made sure our 'filters' knew who they were, and to fast-track them.

"As SMC I benefitted from the leadership and support of exceptional individuals on our executive committee. These officers oversaw the entire Pike operation, as well as mentoring younger Brothers who will take leadership positions soon.

"Our alumni support has been terrific, especially John Peacock, Eli Nortelus, Dylan Nielander, Doug Russell, Brent Sembler, Jimmy Keen and Peter Ford, as well as Scottie Howell even though he lives in New Mexico now, and our favorite Delta Tau Delta, our attorney Tor Friedman. The monthly leadership luncheons have been well attended by loyal alumni.

"Thank you to all alumni and Brothers of Delta Lambda."

Ad Astra

Ray W. Hayes '64

Ray entered Chapter Eternal at 5:40 AM, October 27, 2021

218 South Wildwood House groundbreaking, 1965.

Past SMC J.L. Milton '62, Chapter Advisor Earl Cawthon '51, SMC Ray Hayes '64, Faculty Advisor Dr. R.R. Oglesby '36 (Oklahoma State University), SMC Bob Duggan '64.

Jack McMullen '64: "Our beloved brother, **Ray Hayes**, entered chapter eternal @ 5:40 AM today...Ray was our SMC in 1965-66...a wonderful brother/friend to us ALL....Ray had been in declining health for a while [Parkinson's disease and other maladies].

"Jim Cobb's email (below) recalling Ray's involvement in the new Pike house [in mid-60s] is on point. Actually, Ray was VERY instrumental in the conceiving/nurturing & development of the new house we moved into in 1967. Ray worked tirelessly with Pike National to make it a reality. I vividly remember: the house cost \$330,000 unfurnished.

"Carolyn and I had a nice long chat with Patti Hayes last evening....Ray had lived the good life...and the time had come for Ray entering Chapter Eternal...We Brother PIKES

will be there someday, so let's enjoy LIFE to the fullest meanwhile.

"Carolyn and I look forward to seeing the many brothers and spouses [of the mid-60s] at our reunion at the Miami/FSU game weekend November 12. I'm sure our many memories of Ray will be a major topic of conversation & bonding."

Jim Cobb '63: "A great tribute to a great Pike. Thanks for sharing your special relationship with Ray. I had the pleasure of serving as THC while Ray was SMC and we had a challenging year preparing to build the new Pike House. We had a wonderful working relationship and as a result our new house became a reality. Ray will be missed by all but we may meet again in the chapter eternal."

David Lyons '65: "Sad day as Ray Hayes was my Big Brother in the Fraternity. We kept in touch, went on two cruises together, and he was our overnight guest in Tally, and we were also house guests in Coral Gables. Say a prayer for his wife Patty as life will never be the same. Enjoy time each and every day!"

Frank Cooke '65: "Ray was certainly a wonderful gentleman; he will definitely be missed. He actually kept me in the Fraternity at a time when I was in the FSU infirmary; he came to medical facility and asked me to stay in the Fraternity. Ray was the SMC at the time, and I've always been very grateful to him for that effort and friendship he provided me that day. Being with my friends in the Fraternity has been a wonderful part of my life."

J.L. Milton '62: "Sad! Dave and I just talked to Ray in September before the Notre Dame game. We are all getting in that age group, better enjoy each other while we can!"

John Walsh '62: "My fellow Brothers! I am deeply shocked and saddened at the news of the passing of Ray. I have known him for a long time even before we met in the Fraternity. I was hoping to see him on my next visit to Miami. May he rest in peace and God bless! Stay safe and God bless all of you!"

Jim Riscino '64: "Sad to hear, Ray was a very close friend and was responsible for my coming to FSU and joining Pikes in 1965. We met at Miami Dade Junior College in 1961, in Tri Chi where we were brothers and continued our friendship all these years. I spoke to Ray and Patty several times over the past couple of months and glad I had a chance to talk with him. I will miss his humor and friendship."

Don Altemus '66: "I spoke with Patti this morning. She called to give me the bad news. He passed at 5:25 am today. I will be assisting her with anything she needs. She is a strong lady and was dealing with the funeral home arriving at the house when we spoke. I will share as I learn more detail as she hopes to plan for a service."

Dave Frew '67: "My heart is broken. Ray was a quality man. He inspired me during my days at the Pike House."

Gabe Brady '58 (past SMC) "I did not know Ray, but God bless him and his family."

Van Williams '64: "Like everyone I am saddened to hear of Ray's passing. We are all getting up there and each will be following when it is our time. I'm just grateful for the friendships and all the great times we had together-it could not have been better."

Bill Knight '69: "I knew Ray for a relatively short time, and found him most genuine and always willing to help those in need. Admirable attributes that, no doubt, followed him always."

"I am still fully licensed in Florida as a Funeral Director. Where appropriate, If I can be of any service to Patti as she moves through this difficult time, please feel led to call on me. I can be reached at 919-949-1166. Professional courtesy within my calling is implicit. Please don't hesitate to reach out to me for answers to any questions and other assistance as needed.

"I would consider it an abiding honor and privilege to provide any support for Ray and Patti. May His soul and the souls of all the faithful departed, through the mercy of God, rest in eternal peace. John 14:1"

Bob Landis '66: "I remember speaking with Ray when I was debating on whether to pledge. He pointed out all the important things that forming strong relationships, enjoying the many activities and belonging to a group would mean to me as I moved into adulthood and started life's real journey. I used his thoughts and feelings with others throughout my career to motivate young and get them involved. He was a genuine good person."

Tom Wurzbach '64: "It saddened me to hear that, "The Boss" Brother Hayes had gone to Chapter Eternal. I know he is at peace and the chapter has welcomed him. We can rejoice, by the grace of God Almighty, in the fact that, one day, we will all be together again. Phi Phi Kappa Alpha."

Dave Orr '63: "Delta Lambda Brothers, like so many of us during our Pike days, Ray became a part of our lives during this special time in all of our lives. Of the many friendships we all developed during this time, I considered Ray to be one of my BEST four(4) friends! There was initially a Miami group from several different Miami High schools that pledged Pike - myself, Ray, Don Altemus (Altitude), Sandy King, Barry Drossner, Lewis DeLaura, even John Walker, John Friese (Froggy) and Arne Johansen from Broward. And Ray had our Miami High/Miami Edison rivalry always present. When Ray graduated after the Fall/65, Bob Duggan stepped up as SMC and somehow, I was elected as IMC. He left a fabulous legacy in so many areas, not the least was our Friday afternoons at Teds - anybody remember that? So, to Ray and too many of those departed, i.e., Russ Burnett, Sandy King, Craig Kafka, Hubert Green, Bob Stoner, Bob Humphries, Doug Cooke, John Friese to name a few, we lift that mug high once again to say "Thanks for the Memories"!

Fred Ingley '62: "Sad news indeed for us still here on Earth. Good news that he will be with our Lord in a much better place where we all will be together again in the future. Phi Phi K A."

Don Mulligan '68: "Knew him as a leader of men. He'll be missed."

Jim Poe '66: "He was truly a legend at the Sink Hole keg parties. Phi Phi Brother."

Fred Buhl '69: "I only met him a time or two. I think the first was in Daytona where Roger Obodich introduced us. Jim's reference to 'sinkhole keg parties' brings back a flood of memories. What experiences and good fortune we had! I have no idea what they do today, but today's Delta Lambda Brothers will never know such parties. Ours were risky, yet innocent parties, before the days of risk assessment."

Pete Burnett '68: "Sorry to hear of Ray's passing. He had graduated by the time I pledged, but I did get to meet him a few times on football weekends. I know he was a great friend of my brother Russ Burnett's.

Jim Montano '64: "Ray was a great all-around person and his leadership and friendship were invaluable to everyone he touched. He will be missed and fondly

remembered; may he rest in peace.”

Dick Klunk '68: “I never met Ray, but from the testimonials he was certainly a special Brother. Overseeing building the new house, while being SMC, and keeping up with his studies he must have been one hell of a dedicated Brother! May he Rest In Peace... prayers go out for his wife and family.”
