**FLORIDA STATE PIKES**

# SOCIAL

The brothers of Delta Lambda chapter are a staple for how Greek life should be. Since the inception of our chapter, Florida State looks to Pi Kappa Alpha as the ones who have perfected the art of working hard and playing harder. Beginning at football games with tail gates and parties, Pike has hosted some of the biggest personalities in pop culture, such as Carnage, James Franco, Barstool Sports, and the Nelk Boys.

# PIKE MEANS SERVICE

The brothers of Pi Kappa Alpha presented \$1,500 to FSU's Collegiate Veterans Association

## PIKE SUPPORTS FIREMEN & MILITARY

The brothers at Pi Kappa Alpha are dedicated to helping the local community and individuals suffering from unfortunate circumstances. In the spring of 2021, Pike hosted a barbecue grill out, selling packages of food to students and sending all proceeds to a their annual Fireman's Philanthropy Week charity. The Delta Lambda chapter raised \$18,200 for Camp Amigo, a

non-profit organization dedicated to helping children who are victims of burn related trauma. Camp Amigo offers these children the opportunity to be with mentors and children with similar experiences at the annual retreat hosted by the Florida State Fire College in Ocala, Florida. This charity is part of our on going relationship with local city fire departments.

A fraction of our brotherhood has dedicated themselves to active duty military. To honor them and those around the country for defending our freedom, the Delta Lambda brothers donated \$1,500 to Florida State's Collegiate Veterans Association. These funds directly aid student veterans and ensure that they are given support and guidance during their college career.

# MEN OF THE YEAR

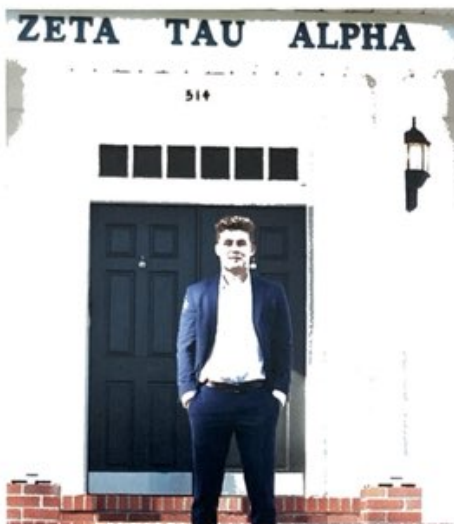

## FEATURED

Collectively, Pike's men of the year have helped sororities raise \$30,353. The money has been allocated to some of the most impactful charities in the community including the Ronald McDonald House, Race to Live, Service for Sight, Children's Home Society and St. Jude's Hospital. This achievement reaffirms what it means to be a Pike: that what is important is not one's self interest, but the interests of those who need it the most. Pi Kappa Alpha takes pride in helping sororities in exceeding their philanthropic goals.

## PHILANTHROPY CONTRIBUTIONS

# HOUSE AT A GLANCE

## THE GRAND MANSION

1952 Heritage Grove Circle

Designed by the award-winning architectural firm of Elliot Marshall Innes, Pi Kappa Alpha's house was dedicated by Delta Lambda Chapter's alumni in 2005. With more than 40,000 square feet under one roof, ours is the largest fraternity house in America. In addition, the 7,000 square foot enclosed courtyard is an artificial turf playground for Pike brothers and their guests.

## TODAY

The Delta Lambda Chapter has secured additional living space for Pike's growing numbers. The chapter amassed overflow housing in the old Delta Chi house located directly behind the main mansion. The house is fitted with 24 rooms that comfortably house 48 brothers. The acquisition allows for a larger number of brothers around the house at all times; further solidifying Pike's dominance in Heritage Grove.

## DELTA LAMBDA HOUSE HISTORY

1970-2005

Pi Kappa Alpha was established at Florida State in 1948 and was the first fraternity to finance and build their own house. Our 'old' house shown here was built in 1966. Nestled beneath majestic oaks, it stood on a large portion of private land in the middle of FSU's campus. Located in those days on the corner of Jefferson Street and Wildwood, this columned mansion was home to one of the nation's most legendary fraternity chapters.

**Jack Anderson**

Drafted by the Yankees after high school, Jack chose college instead. He was named one of the *'Top10 Most Inspirational Student Athletes at FSU'* by *College Magazine*.

For the establishment of friendship on a firmer and more lasting basis; for the promotion of brotherly love and kind feeling; for the mutual benefit and advancement of the interests of those with whom we sympathize and deem worthy of our regard; we have resolved to form a fraternity, believing that, thus we can most successfully accomplish our object.
