Contribute to the Old Guard of Delta Lambda! The Old Guard is Delta Lambda's alumni Annual Fund. Your contribution helps the Chapter maintain its competitive standing at the top of Florida State's fraternity system.

Joining the Old Guard is easy. Contribution is only \$100 per year. Your gift goes toward strengthening the Bonds among alumni, and enriching both the alumni and undergraduate Delta Lambda experience. Some alumni have even chosen to give as much as \$1,000. A current list of the Old Guard Members appears at the end of this newsletter.

Click here to join the Old Guard now!

As always, we are deeply grateful to those who continue to support the Old Guard, our Alumni general fund. These gifts were received after the September newsletter.

Thank you to **Ozmel "Ozzy" Cuan '02** osmel.cuan@gmail.com for his generous first-time gift to The Old Guard.

Thank you also to **Steve Walker '81** steve.walker07@gmail.com for his generous \$200 renewal to The Old Guard.

And special thanks to **Dr. Ben Sharp '60** Benjaminsharp@hotmail.com for his most generous gift of \$500. We believe that this gift is meant to help underwrite the cost of the Military Plaque.

And finally, sincerest thanks go to **Lt. Col. Patrick Sullivan '01** pcs4498@gmail.com for his gift of \$500, of which \$400 will be used to help underwrite the cost of the Military Plaque.

Delta Lambda depends on alumni leadership to maintain its strength in today's challenging college environment. Our Chapter Advisor **John Peacock '01** jpeacockfl@gmail.com has added an additional \$500 to his gift, to be applied toward the plaque honoring Delta Lambda veterans of America's armed services and the Coast Guard.

Our next Alumni Advisors/Undergraduate Leadership Luncheon will be Wednesday, November 2nd, 2022 on the 6th Floor, The Osceola Grille. John Peacock '01 will host and chair the meeting, beginning at noon and concluding by 1:00 PM. All alumni are welcome to attend.

The impressive new **Keen Conference Room** was officially inaugurated with our first 2022 Executive Committee in September. This first meeting was to review house policies and procedures. Legends of Delta Lambda leaders **Brent Sembler '78** and **Jimmy Keen '73** along with contractor **Pete Ford '14**, are shown here with the current Executive Committee.

Left to right are: Secretary **Logan Kelly '21**; Treasurer **Ryan Veitkus '20**; Rush Chairman **Tre Hall '20**; SMC **Joey Williams '19**; IVP **Rory Hicks '19**; EVP **Parker Narrel '19**.

Jimmy says, "The conference room has been a work in progress since 2017. The conference room is dedicated to all previous, current, and future chapters making significant and perpetual contributions for our Pike House."

Another alumni Brother added, "This is a first-class conference room. Exec meetings used to be a gaggle of undergrads hanging out on sofas and the floor. But this is a corporate room. It suggests seriousness of purpose, like a courtroom. A better

atmosphere lends itself to better decisions. The formal surroundings make our officers realize that what they do is important, and that all the decisions they make directly impact a 200-man chapter and a \$4 million property.”

Plaques decorate the walls recognizing specific contributions to the **Keen & Sembler Challenge**. Ideally, each year the chapter determines a cooperative major project with **Legends** to improve the house. The achieving Chapter's formal portrait is displayed in the Conference room.

Jimmy Keen detailed some of the particulars of this exceptional facility. "The 10-foot solid antique conference table is hand-crafted, and covered with protective 1/8" clear glass.

"The table is furnished with ten executive conference chairs. Additional AC receptacles were installed for computers and TV monitors for group studies and meetings. Also, a security camera was installed. The room entrance door is solid oak, with top grade brass fittings and locking handle."

This shows the size of the gleaming conference table where the Executive Committee meets weekly with Chapter Advisor **John Peacock '01**, and also several times each year with representatives of the Legends of Delta Lambda, owners of Delta Lambda's magnificent home, **Sembler House**, the largest fraternity house in America under one roof.

Above left: **Jesse Vance '80** admires a copy of the newest *Pikes Illustrated* 2022. He is flanked by **Joe Feheley '81** and **Glenn Grant '82**. Undergraduate Editor **Riley Martin '21** expanded the number of pages this year, and created a remarkable edition that could be the best issue since 1972.

Above right: In 2016, alumni of the Seminole Baseball team that played in Omaha for the National Championship in 1986 held their 30-year reunion. They were Freshman All-American catcher **Barry Blackwell '86** and All-American pitcher **Richie Lewis '86**, stars of the ESPN broadcast. Richie pitched in the major leagues for 8 seasons; he passed into Chapter Eternal last December, 2021.

Chris Hansard '81, Joe Feheley '81, Steve Walker '81 and others organized a wonderful reunion for Pikes and former Little Sisters, Friday night before the Wake Forest game, on the terrace of the Dunlap Champions Club.

This reunion of old friends included winners of the 1984 Ken Spence Award (below)

In 1984, The Chapter named **David Ponder '80** and **Glenn Grant '82** co-winners of the Ken Spence Award, presented annually to the FSU varsity athlete and Pike who best exemplifies the qualities of loyalty and devotion to Delta Lambda. Here they are again, above right, on September 30th, 2022 at the Reunion. David started at defensive tackle for three years, and played IMs for the Pikes. Glenn was Captain of the Seminole Swim Team, the first of three Pike varsity swim Captains in a row.

2022 Rush Chairman Tre Hall '20

2022 SMC Joey Williams '19

Rush is the lifeblood of Delta Lambda, and for every fraternity. When you win fall rush, you are already ahead, and favored to win the rest of the year. For more than 50 years, Quality Rush has been a primary theme of this Chapter, and the reason for our success across generations.

You will be pleased (and not surprised) to know that Pike won rush again this fall. This splendid class of 65 new leaders, scholars, athletes and gentlemen includes future stars in medicine, science, business, military and national service, law and the professions, as well as several current Seminole athletes.

Rush today is not as you remember. Rush now is more formal; no drinking, and no young women allowed as hostesses. This fall, more than 1,200 young men paid fees to IFC to go through fraternity rush. Of these, 667 pledged the 16 fraternities. Competition is fierce; organization and discipline are paramount to winning. Pike

focuses on summer rush, signing as much as a third to half of the fall pledge class to 'bid cards' before fall sessions begin.

What's called 'formal rush' takes place three nights in September. Rush Chairman **Tre Hall '20** skillfully employed his cadre of Rush Captains, and his corps of Junior Rush Captains in a continuous process of meeting incoming rushees, filtering them through multiple interview sessions, evaluating them, and finally extending to them a formal bid to pledge Pike.

Congratulations to Tre Hall for his exceptional year of service to Delta Lambda as Rush Chairman, and to SMC Joey Williams and his cabinet who for their tireless and unwavering support.

Our Fall, 2022 pledge class the night they received their Risk Management Seminar taught by **Jimmy Keen '73**. Initiated Brothers in front include **Riley Martin '21**, Keen, Pledge Educator Ed **Cole Leonardi '19**, Assistant Pledge Ed. **Logan Kelly '21**.

You'll hear more about this important initiative moving forward. Inspired by Chapter Advisor **John Peacock '01**, alumni commissioned a large, beautifully crafted plaque recognizing our Delta Lambda alumni who are military veterans. The plaque will be permanently displayed in a prominent location in **Sembler House**. There are now 101 names on the plaque, with plenty of space remaining to add more.

The handsome inset color escutcheons include the Army, Navy, Air Force, Marines, Coast Guard and Space Force. Yes, there really is a Space Force.

The price delivered was around \$3,500 and several alumni have stepped forward to help fund the project. **John Peacock '01**, **Lt. Col. Joe Feheley '81** and **Lt. Col. Patrick Sullivan '01** have each contributed. The Old Guard also authorized a contribution.

"I wanted Delta Lambda to honor those who served, because it's about time. There are not enough words to describe our Brothers' sacrifice to protect our country. I wanted this to be a way to public display for the Pike House. I'll be donating \$500 toward the plaque."

Chapter Advisor John Peacock '01

"Our fraternity has a strong legacy of supporting service, and so it's fitting that our chapter intends to recognize brothers' service in the armed forces. Having the support of my Brothers (care packages, letters,) during my first deployment to Iraq was significant. I hope you will join me in contributing to this initiative— honoring past service and sacrifice of Delta Lambda men and also creating an opportunity to recognize those who will contribute to the legacy of service to our Corps and country."

Lt. Col. Patrick Sullivan '01

"My Brothers, I ask for your participation in an initiative to put the military appreciation plaque in our Delta Lambda House. In considering the history and legacy of our Fraternity, I was reminded of the Founders of Pi Kappa Alpha who were college age in 1868, soon after the Civil War ended. Since that time our band of Brothers has gallantly served in every war or conflict the US has been involved in, right up through Afghanistan in 2021. For those who've served, and especially for those who sacrificed all, I do think this project is "worthy of our regard" and I hope you will find it in your hearts to donate. John Peacock has spearheaded this initiative and deserves our help making it a reality. Charlie Barnes will recognize your generosity in the "Old Guard" and on our monthly newsletter. Phi Phi."

Lt. Col. Joe Feheley '81

The undergraduates are beginning to formulate grand plans for Delta Lambda's 75th Anniversary in 2024. This Military Plaque initiative is one part of that planned recognition.

If you would like to contribute to the Military Plaque, please indicate that through your annual gift to The Old Guard, either by expressing your wish on your check, or, if you give via credit card, just also send an email to **Charlie Barnes** cbarnes161@comcast.net telling what portion of your Old Guard gift you want to designate to the plaque.
